

EXPERIMENT – 6

Name : Gayathiri T

Roll no : 240701140

Experiment with different layouts and color schemes for an app.

Collect user feedback on aesthetics and usability using

GIMP(GNU Image Manipulation Program (GIMP)

AIM

To design and evaluate different app layouts and color schemes using GIMP, and analyze user feedback on aesthetics and usability based on a **Salary Manager mobile app interface**.

TOOLS USED

- GIMP (GNU Image Manipulation Program)
- Google Forms / Microsoft Forms (for feedback collection)

DESCRIPTION OF DESIGNED UI

The designed interface represents a **Salary Manager App Dashboard** with the following components:

- **Header Section**
 - Title: *Salary Manager*
 - Welcome message: *Welcome Back*
 - Gradient blue background
- **Main Balance Section**
 - Displays total balance: ₹10,000
 - Highlighted with a white background for visibility
- **Income & Expense Section**
 - Income: ₹7000
 - Expense: ₹4000
 - Dual layout with contrasting colors for clarity
- **Recent Transactions Section**

- Includes:
 - Grocery Shopping (-\$120)
 - Salary (+\$7000)
 - Electric Bill (+\$80)
 - Freelance Work (+\$750)
- Color-coded values:
 - Red → Expense
 - Green → Income
- **Design Style**
 - Gradient background (blue to pink/purple)
 - Card-based layout
 - Clean typography
 - Soft borders and spacing

PROCEDURE

Step 1: Installation

- Downloaded and installed GIMP from the official website.

Step 2: Canvas Creation

- Created a new project with mobile resolution (1080 × 1920 px).

Step 3: Layout Design

- Divided the screen into sections:
 - Header
 - Balance display
 - Income/Expense summary
 - Transactions list
- Used rectangle tool and fill colors.

Step 4: UI Elements

- Added text using Text Tool.
- Designed cards for each section.

- Used color coding for financial clarity.

Step 5: Color Experimentation

- Applied gradient backgrounds (blue–purple theme).
- Tested variations:
 - Dark theme
 - Light theme
 - Gradient theme (selected)

Step 6: Layer Management

- Organized elements into layers:
 - Header layer
 - Balance layer
 - Transaction layer
 - Background layer

Step 7: Export

- Exported final design as PNG.

USER FEEDBACK COLLECTION

Method

- Shared design image with users.
- Used a feedback form with questions on:
 - Color attractiveness
 - Readability
 - Layout clarity
 - Ease of understanding

Sample Feedback Summary

- Users liked:
 - Gradient background
 - Clear balance display
 - Color-coded transactions

- Suggested improvements:
 - Increase font size slightly
 - Improve spacing between items
 - Add icons for better visualization

ANALYSIS

- The gradient color scheme was visually appealing.
- Card-based layout improved readability.
- Color coding helped users quickly identify income vs expense.
- Minor usability improvements were suggested.

RESULT

The Salary Manager app layout designed using GIMP was successfully created and evaluated.

The **gradient theme with structured layout** was preferred by users for both aesthetics and usability.
